GRESHAM ART COMMITTEE (GAC) was founded by the City of Gresham in 1981. Our primary focus is to coordinate art exhibits & receptions in the City of Gresham Visual Arts Gallery.

The GAC is dedicated to promoting cultural and artistic diversity. We seek to exhibit art and showcase artists who represent our community.

We also strive to create a learning environment for the appreciation of art history, craft, and artistic philosophy.

In addition the GAC works to nurture emerging and established artists, their works and other arts organizations.

The GAC consists of 15 volunteer members. Potential members are interviewed and are selected based upon their interest in the arts, their art-related backgrounds and/or their enthusiasm for promoting the arts.

Throughout its history, the GAC has benefited the City in numerous ways including curating year-round exhibits in the City of Gresham Visual Arts Gallery; selecting a graphic designer for banners at the City Hall MAX station; obtaining a permanent home for the Jack Braman music mural; providing mini-exhibits in the Gresham Post Office; participating in Gresham Art Festival; advising students on their senior art projects; and judging student's art posters. A representative from the GAC currently sits on the board of directors for the Center for the Arts Plaza.

Exhibits are on display in the Visual Arts Gallery & Public Safety & Schools Building located at 1333 NW Eastman Parkway, next to City Hall. The Gallery is open M-F 8 a.m. to 5 p.m. excluding holidays. Artists receptions are from 5:30-7 p.m. and feature live music and refreshments.
